# SAFETY DATA SHEET

according to ST/SG/AC.10/30/REV.10

## ROOTFOOD Fe<sup>TM</sup>

### SECTION 1: Identification of the substance and of the company

#### 1.1 Product identifier:

##### Substance

Substance name : ROOTFOOD Fe<sup>TM</sup>  
Other means of identification : Not applicable.  
Hazard components for labelling : Not applicable.

#### 1.2 Relevant Identified uses

Relevant identified uses: : Fertilizer  
Uses advised against : Not for consumption.

#### 1.3 Details of the supplier of the safety data sheet

##### Supplier

Name : Agri Technovation (Pty) Ltd  
Address : Agri Business Park, 5 Louw Street,  
Wellington Industrial Area  
South Africa  
7654  
Telephone : (+27) 21 300 0543  
(+64) 27 620 0567  
E-Mail : info@agritechnovation.co.za

#### 1.4 EMERGENCY TELEPHONE NUMBER

National Poisons and Hazardous Chemicals Information Centre  
Dunedin Phone: 0800 POISON (0800 764-766)  
24 hr Emergency Response: 0800 CHEMCALL (0800 243 622)

### SECTION 2: Hazard identification

#### 2.1 Classification of the substance

This product does not meet the criteria for classification in any hazard class according to ST/SG/AC.10/30/REV.10 on classification, labelling and packaging of substances and mixtures.

#### 2.2 Label elements

Labelling according to ST/SG/AC.10/30/REV.10  
Hazard pictograms

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

No pictograms

## Signal word:

No signal words

## Hazard statements:

No hazard statements.

## Precautionary statements:

No precautionary statements

## Supplemental Hazard information:

No supplementary hazard information.

## Special rules for supplemental label elements for certain mixtures:

None known.

## Additional labelling:

Keep out of reach of children. This product is not classified as a hazardous material according to the criteria set forth by ST/SG/AC.10/30/REV.10 for hazardous material.

## 2.3 Other hazard

None known.

## SECTION 3: Composition/ Information on ingredients

### 3.1 Substances

Not applicable.

### 3.2 Mixture

#### Description of the mixture:

Aqueous blend of iron compounds.

#### Hazardous ingredients

This mixture does not, within the current knowledge of the supplier, contain further substances above their cut-off concentration limit fulfilling the criteria of hazard classes according to the ST/SG/AC.10/30/REV.10 regulation or present a health risk below the cut-off concentration limit. Substances that do not fall within classification criteria are not specified in this document to protect confidentiality.

## SECTION 4: First aid measures

### 4.1 Description of first aid measures

#### General information

Take precautions to ensure your own safety when helping another person. Always wear appropriate personal protective equipment (see Section 8). If medical advice is needed, have Safety Data Sheet or product label at hand and provide treatment already administered.

#### Following inhalation

Get medical advice if you feel unwell.

#### Following skin contact

Immediately take off all contaminated clothing, shoes, and leather goods. Rinse skin with plenty of lukewarm, gently flowing water or shower for at least 10 to 20 minutes. Wash contaminated clothing before re-use or discard. If skin irritation occurs: Get medical advice/attention.

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

## Following eye contact

If irritation occurs, cautiously rinse eyes with lukewarm, gently flowing water for 5 minutes while holding eyelids open. If eye irritation persists: Get medical advice.

## Following ingestion

If exposed or if you feel unwell, get medical advice.

## Self-protection of the first aider:

No additional information.

## 4.2 Most important symptoms and effects, both acute and delayed.

No information available on this product.

## 4.3 Indication of any immediate medical attention and special treatment needed.

No information available on this product.

## SECTION 5: Firefighting measures

### 5.1 Extinguishing media

Substance has an oxidizing effect. Firefighting equipment must be available.

Substance is combustible, but there is no additional information about the combustion behaviour.

**Suitable extinguishing media:** Water (spray - not splash), Dry extinguishing powder, Alcohol resistant foam, Carbon dioxide

**Instructions:** If possible, take container out of dangerous zone. Shut off sources of ignition.

### 5.2 Special hazards arising from the substance or mixture

Substance contains combustible substance. Fire may produce: Nitrous gases (nitric oxides), Carbon monoxide, and carbon dioxide.

### 5.3 Advice for fire-fighters

Wear self-contained breathing apparatus and special tightly sealed suit. Cool surrounding containers with water spray. If possible, take container out of dangerous zone. Heating causes a rise in pressure, risk of bursting and explosion. Shut off sources of ignition.

## SECTION 6: Accidental release measures

### 6.1 Personal precautions, protective equipment, and emergency procedures

#### Protective equipment

Wear respiratory protection, eye protection, hand protection and body protection.

See section 8.2 of this SDS.

#### Emergency procedures

Evacuate all individuals. Warn surrounding areas. Isolate the area. Put protective measures in place. Only individuals with suitable personal protective equipment should be allowed into the affected area. Remove the source if safe to do so and provide adequate ventilation in closed spaces. Wash spill area.

### 6.2 Environmental precautions

Low hazard to water. Inform the responsible authorities when very large quantities get into water, drainage, sewer, or the ground.

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

## 6.3 Methods and material for containment and cleaning up

### For containment

Use suitable closed, labelled containers for disposal in accordance with national and local regulations. The floor must not have a floor drain.

### For cleaning up

Use suitable protective equipment while cleaning if necessary. See section 8.2 of this SDS. Wipe clean with cloth or paper towel. Tested industrial vacuum cleaner or suction device can be used as alternative. Use of blower for cleaning is not recommended.

## 6.4 Reference to other sections

See section 8.2 for information on personal protective.

See section 13 for disposal methods.

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

#### Protective measures

Heed advice on general occupational hygiene. Fill only into clearly marked containers. Label containers and pipelines clearly. Provide good ventilation in work areas. Used closed apparatus if possible. Washing facility at the workplace is required. Eye bath required. These locations must be sign posted. If release of the product can't be prevented, then it should be suctioned off at the point of exit.

#### Fire preventions

Keep away from sources of ignition. Firefighting equipment must be available. Inspect the electrical fittings regularly against the higher risk of corrosion. Keep away from open flames. No welding in working area. Keep away from combustible materials.

#### Advice on general occupational hygiene

Take care to keep workplace clean and dry. Wear personal protective equipment. Avoid skin contact with product. Do not leave container open.

Wash skin with soap and water before breaks and at the end of work shifts and apply fatty skin-care products after washing. Foods, beverages, and other articles of consumption must not be consumed at the work areas. Suitable areas are to be designated for these purposes. Remove contaminated clothing and protective equipment before entering eating areas.

### 7.2 Conditions for safe storage, including any incompatibilities

#### Technical measures and storage conditions

Transport in sealed containers above 4°C. Store in dry, ventilated place in tightly sealed container above 4°C.

#### Requirements for storage rooms and vessels

Do not use any food containers to prevent a mistake. Containers must be labelled clearly and permanently. Store in the original container as much as possible. Container should be locked up, away from children.

#### Packaging materials

Glass, PE, PP and PVC.

#### Materials to avoid

- Pharmaceuticals, foods, and animal feeds including additives.
- Infectious, radioactive und explosive substances.

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

- Strongly oxidizing substances.
- Most metals

## 7.3 Specific end uses

See section 1.2. No additional information.

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

The mixture does not, within the current knowledge of the supplier, contain substances above their cut-off concentration limit fulfilling the criteria of hazard classes according to the ST/SG/AC.10/30/REV.10 regulation or present a health risk below the cut-off concentration limit. Substances that do not fall within classification criteria are not specified in this document to protect confidentiality.

### 8.2 Exposure controls

#### Appropriate engineering controls

All ventilation should be designed in accordance with OSHA standard. Use local exhaust at filling zones and where leakage and dust formation are probable. Use mechanical (general) ventilation for storage areas. Use appropriate ventilation as required to keep Exposure Limits in Air below limits.

#### Components with occupational exposure limits

None

#### Personal protective equipment

##### Eye / Face protection

Wear glasses with side protection.

##### Skin protection

Hand protection

The use of resistant protective gloves is recommended. Skin protection cremes do not protect as effectively against the substance as protective gloves. In case of doubt contact the gloves' manufacturer.

Wear duration with occasional contact (splash): 8 hours

Be aware that liquids may penetrate gloves. Frequent change is advisable.

Body protection

Wear an overall or a lab coat

##### Respiratory protection

In an emergency (e.g.: unintentional release of the substance) respiratory protection must be worn. Use suitable respiratory equipment such as MSHA/NIOSH TC-21C or NIOSH approved respirator with N, R, P or HE filter. Wear respiratory protection during operations where spraying or misting occurs. If respirators are used, a program should be in place to assure compliance with the OSHA Respiratory Protection standard. Wear air supplied respiratory protection if exposure concentrations are unknown.

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

## SECTION 9: Physical and chemical properties

### 9.1 Information on basic physical and chemical properties

#### Appearance

**Physical state** : Viscous liquid                      **Colour** : Dark brown-red colour

**Odour** : No specific odour                      **Odour threshold** : No data available.

	Value	Method	Temperature	Pressure	Remark
<b>pH</b>	3.5 – 5.5	Measured	20 °C	1 atm	100% solution
<b>Melting point/freezing point</b>	Not available.				
<b>Initial boiling point/boiling range</b>	Not available.				
<b>Flash point</b>	Not available.				
<b>Evaporation rate</b>	Not available.				
<b>Flammability (solid, gas)</b>	Not relevant.				
<b>Upper/lower flammability or explosive limits</b>	Not relevant.				
<b>Vapor pressure</b>	Not available.				
<b>Vapor density</b>	Not available.				
<b>Relative density</b>	1.08 – 1.12	Measured	20°C	1 atm	100% solution
<b>Solubility(ies)</b>	100 % soluble in water				
<b>Partition coefficient: n-octanol/water</b>	Not available.				
<b>Auto-ignition temperature</b>	Not relevant.				
<b>Decomposition temperature</b>	Not available.				
<b>Viscosity</b>	Not available.				
<b>Explosive properties</b>	Not relevant.				
<b>Oxidizing properties</b>	Not available.				

### 9.2 Other information:

Acute effects:

No information on this product.

Chronic effects:

No information on this product.

Substances are not listed in the National Toxicology Program or International Agency for Research on cancer.

## SECTION 10: Stability and reactivity

### 10.1 Reactivity

No specific test data related to reactivity available for this product.

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

## 10.2 Chemical stability

Stable under normal conditions.

## 10.3 Possibility of hazardous reactions

None known.

## 10.4 Conditions to avoid:

None known.

## 10.5 Incompatible materials:

No information available on this product.

## 10.6 Hazardous decomposition products:

May include: Oxygen, Nitrogen oxides, potassium nitrite, potassium peroxide.

## SECTION 11: Toxicological information

### 11.1 Information on toxicological effects

#### Main routes of exposure:

No data available for occupational handling.

#### Acute toxicity: Data for hazardous substances

The mixture does not, within the current knowledge of the supplier, contain substances above their cut-off concentration limit fulfilling the criteria of hazard classes according to the ST/SG/AC.10/30/REV.10 regulation or present a health risk below the cut-off concentration limit.

#### Other information

No other information.

#### Assessment Classification

Based on available data, the classification criteria according to ST/SG/AC.10/30/REV.10 are not met.

#### Hazard classification

Classification	Hazard Description
Acute toxicity	Based on available data, the classification criteria are not met.
Skin corrosion/irritation	Based on available data, the classification criteria are not met.
Serious eye damage/irritation	Based on available data, the classification criteria are not met.
Respiratory sensitization	Based on available data, the classification criteria are not met.
Skin sensitization	Based on available data, the classification criteria are not met.
Germ cell mutagenicity	Based on available data, the classification criteria are not met.
Carcinogenicity	Based on available data, the classification criteria are not met.
Reproductive toxicity	Based on available data, the classification criteria are not met.
STOT – single exposure	Based on available data, the classification criteria are not met.
STOT – repeated exposure	Based on available data, the classification criteria are not met.
Aspiration hazard	Based on available data, the classification criteria are not met.

#### Other information:

None known.

## SECTION 12: Ecological information

### 12.1 Toxicity:

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe

Product No: N/A

Version: 1.0 / EN

Print date:

Revision date: 24.08

## Aquatic toxicity

No information available on this product.

## Assessment / Classification

Not classifiable due to data lacking.

### 12.2 Persistence and degradability

Not classifiable due to data lacking.

### 12.3 Bio accumulative potential

Not classifiable due to data lacking.

### 12.4 Mobility in soil

Not classifiable due to data lacking.

### 12.5 Results of PBT and vPvB assessment

Not classifiable due to data lacking.

### 12.6 Other adverse effects:

None known.

## SECTION 13: Disposal considerations

### 13.1 Waste treatment methods

If there is no way of recycling it must be disposed of in compliance with the respective national and local regulations.

Collection of small amounts of product:

Do not put waste into sink or dust bin. Collect in container for toxic, inorganic residues and heavy metals salts and their solution. Adjust product to a pH of 6 – 8. Collection vessels must be clearly labelled with a systematic description of their contents. Store the vessels in a well-ventilated location. Entrust them to the appropriate authorities for disposal.

## SECTION 14: Transport information

**UN Number:** Not applicable

**UN Proper shipping name:** Not applicable

**Transport hazard class:** Not regulated as a dangerous good.

**Transport in bulk according to IMO instrument:** Not available.

**DOT:** Not regulated as a hazardous material by DOT.

**IATA:** Not regulated as a dangerous good.

**IMDG:** Not regulated as a dangerous good.

**Special precautions for user**

None known.

**Special precautions for user**

None known.

## SECTION 15: Regulatory information

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

GHS: ST/SG/AC.10/30/REV.10

### 15.2 Chemical Safety Assessment

No chemical safety assessment was completed for this product.

## SECTION 16: Other information

### 16.1 Indication of changes

# Safety Data Sheet

according to ST/SG/AC.10/30/REV.10

Trade name: ROOTFOOD Fe  
Product No: N/A  
Version: 1.0 / EN

Print date:  
Revision date: 24.08

First version.

## 16.2 Abbreviations and acronyms

ATE	Acute Toxicity Estimate
CAS	Chemical Abstracts Service (division of the American Chemical Society)
DOT	Department of transportation
EC50	Half maximal effective concentration
GHS	Globally Harmonised System
IATA	International Airport Transport Association
IMDG	International Maritime Dangerous Goods
LC50	Lethal concentration required to kill 50% of the population

## 16.3 Key literature references and sources for data

C&L Inventory - ECHA [WWW Document], n.d. URL <https://echa.europa.eu/information-on-chemicals/cl-inventory-database> (accessed 1.8.24).

HAZARD COMMUNICATION: Hazard Classification Guidance for Manufacturers, Importers, and Employers, n.d.

## 16.4 Classification for mixtures and used evaluation method according to ST/SG/AC.10/30/REV.10

Classification based on calculation or concentration thresholds. See SECTION 2.1 (classification).

## 16.5 Relevant R-, H- and EUH-phrases (number and full text)

None

## 16.6 Training advice

Not relevant.

## 16.7 Further information

This SDS summarizes to the best of our knowledge at the date of issue, the chemical health and safety hazards of the product and general guidance on how to safely handle the material in the workplace.
